About the National Theatre

The National Theatre offers the widest access to high-quality theatre in the world. This year, we are producing 14 plays across our three South Bank auditoriums, having staged more than a thousand shows that have shaped British theatre since 1963.

Our shows transfer to the West End and travel to Broadway and beyond, winning awards on both sides of the Atlantic. We champion bold storytelling that inspires, challenges and entertains, bringing the world to the National and taking the best of British theatre to the world. Through NT at Home and NT Live, we reach people digitally in almost every country worldwide: 184 out of 195 and counting.

We are a registered charity with a deep social purpose and a nationwide footprint. We partner with regional theatres to tour our work; more than 90% of state secondaries are signed up to our schools' platform, NT Collection; and our Skills Centre trains 5,000 individuals each year.

Our dedicated New Work Studio champions new writing, and we are central London's 'biggest factory' with workshops that power every aspect of our productions. We host the world's most extensive theatre archive, and our Green Store houses more than 150,000 reusable props and costumes as part of our sustainability commitments.
